

# Thomas Hart Instrumental Music Jazz Combo & Strings Quartet Registration & Payment Form

The Hart Instrumental Music program is offering supplemental 8<sup>th</sup> Grade Jazz Combos, a 7<sup>th</sup> Grade Jazz Big Band and 7<sup>th</sup> and 8<sup>th</sup> Grade String Quartets. These specialized groups have been formed either by audition or by student interest. Students in these groups are given the opportunity to work in a smaller musical ensemble led by professional musicians, Matt Finders (Jazz) and Laura Gaynon (Strings). The classes will meet once a week during regular band and strings class time as a “pull out” session.

The Willow Road Instrumental Music Boosters is underwriting the cost of these extra classes entirely. We are asking for a \$100+ donation from all participating students to help pay for this additional small group instruction.

Please indicate the group that your student will be joining:
